PHILADELPHIA LAWN MOWER—Best and cheapest in the world, sold by V. H. Parks.

On Tuesday last the legal voters of the village of Warrenburg, on the P. D. & E. road, in Illinois township, this county, voted on the proposition to organize under the general law as a village. The proposition carried by a vote of 33 to 5, and now will follow a call for the election of a board of trustees. Warrenburg is one of the growing towns of the county, as the latest census shows, is a good shipping point, and is located in a part of the county where reside some of the most industrious and prosperous farmers in any community.

The Decatur Guards, under command of Captain Foster, engaged in a very pleasant and satisfactory street drill last night, going through many new and difficult evolutions on the old square. On invitation of Rev. G. W. Miller, the Guards voted to attend the 4th of July services at Stapp's Chapel on Sunday forenoon, going in a body in full uniform. The company also voted to purchase a very pretty ornament for their sager caps.

Last night at Litchfield one of the flues of Wabash engine No. 100 blew out, and Brown Whitsel, the fireman, was very badly scalded. He was engaged in throwing coal into the fire box, and while the door stood open, the flue bursted and the scalding water poured out and struck Whitsel in the face, injuring him quite seriously. He was brought to his home in this city on train 42, and is now receiving the attention of the family physician.

To-Night at No. 2's house on East Eldorado street, the first festival and so-called for the benefit of the Episcopal House of Prayer, will be given. Extensive preparations have been made for the affair, and all who attend may confidently expect a cordial reception and a good time. The ladies of the congregation have everything in charge, and will leave nothing undone to make the occasion one long to be remembered.

The Cheap Store advertisement in our columns to-day speaks for itself, but Mr. Moritz informs us confidentially that his house intends to make sweeping reductions on all summer goods. Look out for bargains. The clearance sale is to begin at once. Mr. M. always means what he says, and does as he agrees to. We know whereof we speak.

THE examination of James Wiley on the charge of rape was concluded in Justice Palmer's court at noon to-day. The prisoner was bound over to await the action of the grand jury at the December term of court. The bail was fixed at \$500, in default of which Wiley was returned to the county jail.

THE portrait of the late Judge Gallagher, now hanging in the circuit court room, does not meet the unanimous approval of the members of the bar. It was severely criticised by Judge Smith and others to-day.

Another Fire in a Smoke House. Smoke houses in Decatur seem to be having bad luck of late—something wrong about the arrangements. Only a few weeks ago a fire broke out in Blens's smoke house, north of the park, and a mass of meat became a total loss, and last evening, at about 5 o'clock, a portion of 600 pieces of side meat, each piece weighing 25 pounds, hanging in the smoke house adjoining John Ulrich's wholesale grocery warehouse on East Main street, was discovered to be on fire to that extent that an unusual amount of smoke was seen to issue from the openings at the top of the house. The alarm of fire was speedily sounded, and Rescue Hose No. 1, and the Hookies hastened to the scene in a hurry, followed by a surging crowd of people, in which were noticed the usual number of insurance agents. As soon as possible No. 3, and No. 2 hose companies were on the ground, and all had hose attached to hydrants ready for active work. But the fire being located in the greasy smoke house, it was hard to get at, and but one stream of water could be thrown on the burning pile of wood in the pit, ten feet below the level of the lot. After much fuss and laborious work the flames were subdued, and the firemen returned to their headquarters, having done prompt and efficient work. There was no delay whatever in getting water from the works, and it was a good, strong pressure. There were about 16000 pounds of fresh side meat hanging in the smoke house, and being warmed up, the grease dripped upon the fire below in such quantities as to create a flame which started the fire. But for the fortunate discovery of the fire and the prompt arrival of the fire department, there might have been a big conflagration. The meat was not injured, and the damage is something less than \$75.

Bound for the "Pen." Sheriff Forstmyer will leave for Joliet to-morrow morning with C. C. Davis, the murderer of Berry Johnson, 14 years, and Charles Patterson, the horse thief, 7 years, in custody, both handcuffed and chained together. The occasion of the starting of these convicts for Joliet is an appropriate one upon which to compliment Mr. Forstmyer on the vigilance and activity displayed by him in both cases, but more especially in that of Davis. The county is well rid of these culprits, and all good people will feel thankful to the sheriff for the part he played in bringing them to justice.

Late Real Estate Sales. Deeds filed for record since our last report:

C. H. Ruby to Norman Fanning, lot 13, off the north side of lot 2, in block 13, Railroad Addition to Decatur—\$130.

Sanford Payne to John C. Williamson, 40 acres in section 16, town 15, range 3 east—\$1000.

F. Neikroto to George Eckhardt, 70 acres in 11, 15, 1 east—\$4000.

Ellen E. and D. H. Elwood to Isaac M. Lowe, lot 6, block 10, Carver's Addition to Decatur—\$100.

For Representative. Elsewhere in this paper will be found the announcement of John A. Brown, Esq., of this city, as a candidate for the Republican nomination for representative. Mr. Brown is too well known in this community to require much at our hands in the way of an introduction, having lived here almost continuously since his boyhood. A son of Massachusetts, he could not well be anything else than a Republican in politics, and to the advocacy of the principles of that party he has given the best efforts of his young manhood. A public speaker of force and ability, a lawyer in successful practice, a business man of integrity and honor, a citizen of uprightness and high character, Mr. Brown unites in himself all the elements necessary in a good legislator. If chosen as one of the members for the 29th district he will take a front rank in the house.

Haworth Council, No. 8, R. T. of T., was instituted on Tuesday evening, June 29th, in Good Templars Hall. J. G. Shea, Grand Lecturer, was the instituting officer, and was assisted by Grand Councilor Haworth and Grand Chaplain Haynes. The following officers were elected and installed: S. C. E. P. Vail; V. C. E. Tanner; P. C. T. T. Kendrick; Chap. Wm. H. Swearingen; Dr. W. B. Hostetler; Treasurer, Mrs. M. M. Tullis; Herald, C. C. Radcliff; Guard, I. A. Reeme; Sentinel, R. G. Tullis. This is the second council of the order instituted in our city. Decatur Council, No. 12, attained her first birthday on the 28th instant, and now numbers sixty members. It is expected that the sister councils will do good work for temperance. During the past eighteen months sixty councils have been formed in our state, while scattered from Maine to Minnesota, from Maryland to Kansas, near twenty thousand Royal Templars (fourteen thousand of whom are beneficiary members) now labor for the promotion of Hope, Love and Truth.

Attention, Decatur Guards. You are hereby ordered to appear at your armory, in full uniform, on Sunday morning at 9:30 sharp, to attend service at Stapp's Chapel. By order W. W. Foster, Capt. Com. J. G. STAUFFER, O. S.

Serious Accidents in Wheat Fields. On Tuesday night quite a serious runaway accident occurred in a wheat field near Niantic, by which A. J. Pease, son of Shaw Pease, and Charles Bruce, came near losing their lives. Pease was driving a mule team attached to a wire self-binding reaping machine, and Bruce was seated on the machine holding a lantern which took fright and broke away on a dead run, throwing Bruce backward among the wire binding arrangement, bruising him up considerably, but he miraculously escaped serious injury. Pease fared much worse. He got tangled up in the machinery, and before he could release himself from his perilous situation he was very badly hurt, sustaining it is thought, quite serious internal injuries. He was taken to his home and is now flat of his back, being daily attended by his family physician. The machine was considerably damaged.

On yesterday near Niantic C. A. Hall's team, attached to an Osborn reaper, ran away in a wheat field, and though Hall escaped unhurt, the machine was damaged to the extent of \$75.

## PERSONAL POINTS.

Hon. J. B. Dunning, of Washington, D. C., is a guest at the St. Nicholas. Monticello Herald: Miss Ida Reeme, of Decatur, is visiting in this city with her sister, Mrs. M. R. Davidson.

Hon. D. M. Fleming and Miss Fannie Fleming left for Piqua, Ohio, on yesterday.

Mrs. Frank Reeser leaves to-night on the 10:40 P. M. train for York, Pa., on a three months' visit to her parents.

E. H. Ayer, the Wabash pleasure excursion agent, was in the city to-day, making arrangements for the \$3 trip to Niagara Falls, July 13th.

Rev. Father Hickoy, formerly pastor of St. Patrick's Catholic Church in this city, now stationed at Jacksonville, is in the city to-day, greeting his many friends.

Miss Jennie Young has gone to the fascinating village of Ramsey to spend the glorious 4th, intending to remain there until the opening of the schools.

Rev. G. W. Miller visited Bloomington yesterday, and engaged Litta to sing in a grand vocal and instrumental concert, to be given at the tabernacle, for the benefit of Stapp's Chapel, on or about Monday, July 12th.

Cass Wheeler, of this city, who met with a serious accident at South Bend, Ind., some months ago while in the employ of the W. U. Telephone company, by which his lower limbs were injured, is now at the Cook county hospital. One of his legs has been amputated, but Cass is getting along finely, and will visit Decatur in a few weeks.

Children's Musical Institute. I will organize at the Y. M. C. A. Rooms, on Monday, July 4th, at 9 o'clock a. m., a Children's Musical Institute, for boys and girls from 10 years, to continue in session four weeks.

There will be two or three grades in order to do justice to each pupil. One lesson will be given to each grade daily, except Saturdays and Sundays—making about twenty lessons to each grade. Instructions will be given in notation, sight reading and voice culture. Books will be furnished for use during the institute free of charge. Tuition for the term only \$1.25. My usual price is \$1.50 for 12 lessons, and pupils furnish their own books. The great success of the Children's Institute held in this city last summer, has encouraged me to offer my services again to the people of Decatur. Let parents who would wish to have their children come to sing by note, take advantage of the extremely low terms offered, and see that their children are present at the first meeting.

Respectfully, N. B. I would also respectfully announce to the people of Decatur that I am agent for the celebrated Mason & Hamlin Organ, which I believe to be the best organ in the world. Will furnish the above on very reasonable terms to any persons desiring a first-class organ. June 30—d4d wlt S. M. LUTZ.

## HANCOCK—GARFIELD.

Buckling Down to Business.

Let conscience be the guide and then you will vote right. You will then help to carry out one of the main points of beauty and value in a Republican form of government, namely: get an honest expression of the will of the people, which is the power of the government and must prevail in the land. Down with rings and machine politicians, and let's have a government of men in office who are loyal to the country and know no friends but the people. This is a free country, and you ALL have the right to go to L. L. Ferriss shoe store and get those boots and shoes that won't hurt your precious corns, and that will at the same time make you attractive on account of their beauty. Few shoe men accomplish said feat. Men's 11, 12 and 13. Ladies' 7, 8 and 9, and children's 00, 0 and 0 1/2. Think of it. Oh! such beautiful shoes and slippers have just arrived are seldom seen. Fresh invoices Burts' gents' and ladies' fine shoes. And why so many new goods? Because our country was never so prosperous as now, and our people never so willing to buy of Ferriss. Believing that we shall be able to elect a President this time, and that Presidents can't hurt this country much anyhow, I hereby declare my willingness to shoe or boot anybody and everybody who may call at my store—with the cash. Very Respectfully, Your obedient servant, June 23-d4wlt L. L. FERRISS.

The Illinois Central Railroad will sell excursion tickets at one and one-third fare for the round trip from Decatur to all local stations. Sale of tickets will commence July 23 and continue until the 5th, and will be good to return on the 6th. July 1—d3t C. O. JONSON, Agent.

No Goods Exchanged. We do not find any one who is willing to buy goods of us that are not perfect, and in good order. And as in opinion as to whether goods be a difference of opinion as to whether goods be damaged or not, we cannot exchange goods with you, when the mistake is with the purchaser. JUNE 30-d1f LINN & SCRUGGS.

English's Burrell.  
Des Moines Register.  
And this brings up an interesting  
point in his career, and what will be  
one of the weak spots of the ticket.  
The story of how English got his  
"bar" will make the ears of every de-  
cent Democrat tingle with shame many  
times in this canvass. He got his start  
by a conspiracy with W. W. Corcoran,  
of Washington City, and Jesse D.  
Bright, and Michael G. Bright in re-  
gard to the Texas bonds. This was in  
the 40s and 50s,—from 1843 to 1854.  
When Texas declared her independence,  
Mexico never recognized or admitted it.  
Then followed the scheme of annexation  
to the United States, the scheme which  
finally caused the war between the  
United States and Mexico. The con-  
spiracy and corruption, in which Eng-  
lish participated, devised by Corcoran,  
the noted Washington millionaire, who  
is still living and still reveling in the  
luxury of his Texas spoil, and aided by  
English and the two Brights, one of  
whom, Jesse D., was afterwards expelled  
from the United States Senate for trea-  
son, was first to buy up the Texas bonds  
secretly, and then to lead the Govern-  
ment, through the Democratic party,  
into the acceptance of Texas, and with  
it, of course, the assumption of its debt.  
The deep laid scheme succeeded, and  
the many million dollars of Texas  
bonds, bought at five cents on the dol-  
lar, were redeemed at par, making mil-  
lions for Corcoran, making large for-  
tunes for the Brights, and bringing to  
Bill English \$185,000 in cold cash, a  
sum which in those days was equal to a  
million dollars now.
